

THE LEAGUE'S AREA

The following is a list of postcode areas that are within the unofficial boundaries of the League. All grounds must be within the following list or permission **MUST** be obtained before making arrangements to play elsewhere. This list is subject to change at any time.

You are further reminded that before arranging to play on a pitch other than the one already notified to the League you **MUST** write to the League Secretary to obtain permission for a change of ground. All teams must provide changing rooms both before and after games and these must include a separate room for your match official(s).
