Following the registration night held on Wednesday 28th July the Committee has set the format for this season.

It is with disappointment that eight teams either resigned or failed to appear on the night. It is imperative that the fourth division returns to aid the growth of the League in future seasons.

All divisions will play each other twice over the course of the season with exception of the Under 18s where each team will play each other three times making nine games at home and nine games away.

All teams will be entered into two cup competitions.

Night games at the beginning of the season: Due to the numbers in each division there will be the following - Premier Division (2 games), First (1), Second (1), Third (1), Fourth (1), Under 17s (1), Under 18s (0)
